PROGRAM INFORMATION

Our exchange programs are credit-bearing programs that allow international students from our partner universities to take 12-18 credits during a semester spent abroad at the University of Notre Dame. Students also have the option of spending a full academic year at Notre Dame. Students take classes offered by the Colleges of Arts & Letters, Science, Engineering, and Keough School of Global Affairs. Students will be able to select their courses after they are admitted to the program. Please note that registration for some courses, however, will depend upon the availability of spots and commitment from the department.

Notre Dame International (NDI) provides:

- Orientation (mandatory)
- Welcome Lunch & Farewell Dinner
- Social Events & Activities
- Peer Mentoring Program
- Inter-cultural Communication Seminar (Optional)

HOUSING INFORMATION

Due to a shortage of on-campus accommodation at ND, exchange and visiting international students are not guaranteed on-campus housing. Thus, some students will need to secure their own off-campus housing. Students who wish to live on campus will need to fill out a housing application and will be entered into a lottery. We now have an option for students to apply to live in Sacred Heart Parish Center, at the edge of campus, if they do not receive on campus housing. To search for off-campus housing, students are encouraged to use the off-campus housing website offcampus.nd.edu. Students living off-campus can sign up for an ND meal plan.

VISA AND MEDICAL REQUIREMENTS

All exchange students are required to obtain a J-1 student visa. Upon acceptance into the program, our office will issue a DS-2019 form, with which participants can apply for the J-1 visa at the nearest US Embassy or Consulate. For questions regarding visas and immigration, please visit issa.nd.edu.

HEALTH & SAFETY

Before registration, students must submit a "Completed History and Physical Form" to the [Health Center](#). **Students are required to enroll in the University's health insurance plan or they may waive the insurance.** Required Vaccinations by the State of Indiana for college students can be found on the [University of Notre Dame Immunization Form](#).

All students are required to have a COVID-19 vaccination before attending classes on campus for the Fall 2022/Spring 2023 academic year. Students who do not submit vaccination documentation or receive an exemption will be unable to move into their residence halls, complete the [ND Roll Call](#) process to attend classes, or conduct research on campus. To meet the University's requirement, a vaccine must be approved by the [Centers for Disease Control and Prevention](#) (CDC) or the [World Health Organization](#) (WHO). Students who have questions regarding the acceptance of a particular vaccine should contact [University Health Services \(UHS\)](#). Students who are unable to access the vaccine in their home state or country should contact UHS for consultation at least four weeks before arrival. The University also offers students the opportunity to apply for medical or religious exemptions. Exemptions are determined on a case-by-case basis, and in each case must be supported by specific documentation. To request an exemption, students should email UHS at immunizations@nd.edu AFTER they have been admitted. More information about the university's response to the Covid-19 pandemic and the vaccination policy can be found at covid.nd.edu.
